Empowering startup entrepreneurs with knowledge and skills to create high potential startup businesses that lead to job creation.
Creating Jobs
Through entrepreneurship, innovation and skills development.

Changing Lives
Through creating high-value jobs and empowering individuals to command those jobs.

Scaling Impact
Through technology, networks, and partnerships across Asia, Africa and Latin America.

Wadhwani Mission
Accelerating economic development in emerging economies through large-scale job creation.
Wadhwani Entrepreneur

Inspiring, educating, and enabling Startup entrepreneurs

- Wadhwani Venture Fastrack (VFT) maximizes success rates of early-stage startups
- Wadhwani NEN (WNEN) empowers students with knowledge and skills to create high-potential startups
- Wadhwani Inspire establishes a culture of entrepreneurship at a national level
Wadhwani Venture Fastrack (VFT)

We're on a mission to empower startup entrepreneurs with knowledge and skills that enable them to create high potential startup businesses that lead to job creation.

At Wadhwani Venture Fastrack, we focus on empowering entrepreneurs to be effective problem solvers and business leaders, making sure that they get the tools, support, and funding needed to scale and make a big impact.

In partnership with incubators we deliver the most comprehensive training, tools, and resources for incubators and entrepreneurs around the globe.

Together, we're building the next generation of investable startups.
Incubator-Accelerator Ecosystem: Current Challenges

**Network Access**
- Lack of experienced leaders to hire
- Lack of good mentors in tier 2/tier 3 cities
- Limited ecosystem connects

**Tight Budgets**
- Sustainable models needed as govt. funding tappers

**Understaffed with Experienced Leaders**
- Small teams lacking entrepreneurial experience, with high churn
- Hard to attract & maintain top talent

**Operations Support**
- Lack of infrastructure
- Limited access to funding

**Demand for Experienced Mentors**
- Experienced, knowledgeable mentors needed at all levels of growth with demand outstripping supply by 10X

**Program Management**
- Defining the model and methodology
- Sustained tracking of progress

**Mentor Management**
- Lack of mentor ecosystem, connections, training and support leaving gap in capacity to help startups

**Startup Pipeline**
- Attracting the right startups that match your incubator
Incubator-Accelerator Ecosystem: Current Offerings

MOOCs
- Dedicated or shared office space
- Access to research labs
- Shared resources & cloud support

Networking Support
- Investor and mentor support
- Customer access
- Bootcamps, events, partnerships

Mentoring Support
- Business leader mentorship
- CEO coaching
- Technical and leadership training
The Wadhwani Venture Fastrack Solution

To increase the number of viable businesses in the ecosystem, we partner with incubators to deliver the most comprehensive training, tools, and resources focused on incubators & their entrepreneurs.

- **Incubator Capacity Building**: Building leaders in the startup community to support entrepreneurs, enterprises and startups.
- **Startup Upskilling**: Condition and up-skill entrepreneurs for the realities of building investable, scalable ventures.
- **Ecosystem Development**: Developing strong city-based entrepreneurial ecosystems including skills programs, resources, tools, mentors and investors.

**Business Traction • Funding Opportunities • Higher Success Rate**

‘If Wadhwani Foundation was not there, we would not have ‘Accelerated’. It would have taken us 3 years instead of 3 months to make the changes’ - Dr Ramnath Babu, Co-Founder & Director, SpOvum Technologies Private Limited (RoboICSI)

‘The program was quite useful. We were in a transition phase where we were pivoting our business model a bit and from that perspective, we got to brainstorm some of our pivot ideas with mentors’ - Hardik Gandhi, Co-founder & CEO, Zestl Software

‘If WF was not there, it may have taken Stockal longer and the journey may have been different’ - Sitashwa Srivastava, Founder, CEO, Stockal Software Pvt. Ltd.
Wadhwani VFT Network

360-degree connects to strengthen and streamline the journey of startups

Governments  Educational Institutes  Corporates  Mentors  Industry Experts

Investors  NGOs  Industry Associations
